Advice & Suggestions Contained on this Website

CARACAL provides detailed descriptions and explanations for the site visitor to obtain an accurate and informed understanding of the CARACAL credit card payment gateway service.

In the course of this, CARACAL will refer to other services such as merchant account facilities provided by banks and the PCI DSS because these are integrally interlinked with the function and the operation of the CARACAL gateway service.

This information is provided as a courtesy only and should not be considered anything more than a guide.

For all information on merchant account facilities CARACAL recommends consulting with the banking institution of your choice.

For all information on the PCI DSS CARACAL recommends you consult with your merchant account facility provider, the Payment Card industry Security Standards Council directly or any of the card vendor companies such as Visa Asia-Pacific, Master Card, American Express etc. All card vendors have main offices in Sydney.
